

DSC 2015 Europe – Guidelines for exhibitors

The **DSC 2016 Europe** organizing committee, in partnership with **OPTIS**, official sponsor, is offering you the opportunity to demonstrate your products and services during this conference. With the right mix of science and industry, you have the opportunity to meet and discuss with representatives of the world's leading car manufacturers and suppliers in a friendly environment.

You will find here all the necessary details about exhibiting at **DSC 2016**, which is certainly a unique opportunity not to be missed.

Why exhibiting at DSC 2016?

We are committed to bringing you the best opportunity to meet and network with many customers, prospects and partners in the field of driving simulation.

Authors, keynote speakers and delegates are attending this conference with the common aim of hearing about the latest developments in the field and will be keen to learn about your technology and services. The conference is expected to attract more than 300 attendees, which will ensure that the event has the buzz you need to generate interest in your products.

Venue

The **DSC 2016** will take place in Paris, France in a building belonging to the University called Arts et Metiers school. It is located in the city center:

Arts et Metiers school

155 Boulevard de l'Hopital

75013 PARIS

The exhibition area is divided in two dedicated areas between the different conference rooms and the lunch area. For more information, please see the attached floor maps.
